

# Meadow Munchies™

## Natural Gourmet Horse Treats

### Introducing Meadow Munchies

Small mini-cup shaped treats packed with human-grade whole grains and the highest quality holistic ingredients available.

*NOT your typical low nutrient value horse treat that is loaded with sugars and cheap fillers.*

### What you'll find in Meadow Munchies:

- ✓ All natural, human-grade, holistic ingredients.
- ✓ Flax seeds – a source of essential fatty acids.

### What you won't find:

- X No added salt.
- X No cheap fillers like alfalfa meal or sweet feed
- X No artificial/synthetically manufactured flavourings.

*So, why feed horses junk food when you can feed a holistic, natural treat that actually enhances their nutritional program?*

### What truly sets us apart:

- ✓ Made in a HACCP approved human food bakery.
- ✓ Oven-baked in small batches.
- ✓ Unique mini-cup shape (approx. 20 gr's).
- ✓ Attractive and eye-catching packaging.
